This is the first time I'm celebrating alone since I moved here.
30 minutes til the New Year.
This kind of New Year's Eve isn't so bad either...

Good evening. I already told you I'm not going out tonight.
Did a bad friend come to invite me out?
I gave all the servants the nights off so I can't pretend to be out either...
What a pain...
I'm sorry to bother you.

I...
I'AM ABOUT TO HAVE A BABY!!
who are you?
I'm Beth Masterson.
I NEED TO GO TO THE HOSPITAL!
IT'S NO GOOD! IT'S COMING OUT!

Could you boil some water and bring a damp towel?
I came by car but the heater was broken.
COME IN!
YOU'RE FREEZING TO DEATH!
slam
AHHH!
I'm scared!

Is there anything else I can do?
I've seen a horse give birth but...
I prepared everything you said.

It's a boy.
It was born.

He...
ran away...
I called 911 so an ambulance should be here soon.
!
Is there anyone else I should call? The child's father?
Siren
It sounds like the ambulance is here.
I saw in an article that you're searching for Sabrina.
I came here about Sabrina
Before that Mr. Wentworth

2 weeks ago,
We were together at the Freemont Spring Lamaze class.
THIS IS THE EMTS!

DO YOU KNOW SA-BRINA?

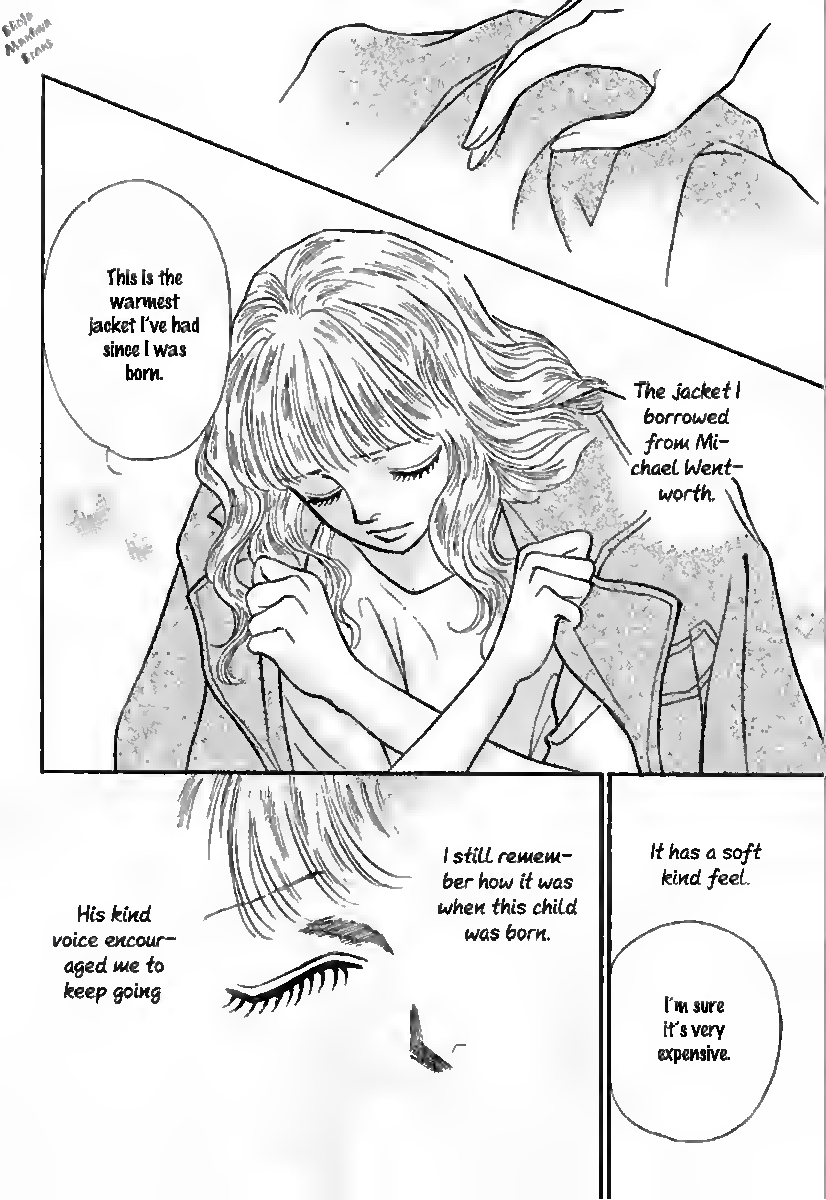
Eh?!
What's up with this picture?
It makes it look like I'm the Papa.

Sabrina is
She came to inform me, even with her body in that condition.
Beth Masterson.. With a pale face and red lips. She left a deep impression.
my dead older brother's lover
I can't find where my brother's child is..
It's just like they say.
the New Year brings new things.

I'll get smarter everyday so
don't worry even though you only have a mother.
but...
I was foolish before meeting Evan.
I knew he was a worthless guy and he abandoned me.
sneeze
No.
I don't regret having a baby. Because you...
Since I'm an orphan you're my only family!



This is the warmest jacket I've had since I was born.
The jacket I borrowed from Michael Wentworth.
His kind voice encouraged me to keep going
I still remember how it was when this child was born.
It has a soft kind feel.
I'm sure it's very expensive.

Shojo Manhwa Scan

He's not going to be the father?
Unfortunatly the answer is no.
disappointed
I'm going to raise this child by myself.
I'm the mama and the papa.
But
Breast feeding in the middle of the night is a lonely thing.
There's nothing wrong with admitting to being lonely, Beth.
.....
Shojo Manhwa Scan

Stop it Bee.
If Beth says so then...
I'm fine.
No.
but...
.....
Even if you say that...
I still think she needs a man.
We're going to go home.
See you Beth.

It's impossible for Michael Wentworth to marry me
After all, he's
the number 1 playboy in this city

Director, you have a guest.
Who?
That's... smile
It's Beth Master-son.
!

Does she know how much my friends mocked me after that picture?
Why is she here?
This is ridiculous !
Even though that's finally calmed down.
I came to return the jacket I borrowed .
You didn't need to.
Um. What about Sabrina ?
I still haven't found her.
I see.

Here's some coffee.
Thank you.
hee hee
Don't laugh behind my back!
Is that tadpole... no...
Did you decide on a baby name for the baby?
Yes.
Michael.
Michael Freemont Masterson.
I wanted to give him the name of the man who saved my life.
Was that okay?
Yes.
It's a lovely name.
It's not okay!
But I call him Miisha.

Shojo Manhwa Scans
I feel that
there's only one Michael.
You don't want to call him Michael?
I work at Bee and Milly's Freemont Spring Bakery.

It's time for me to get back to the bakery.
I need to get going.
if you want
I'll give you this jacket...
Her stroller's broken!?
squeak

I'm fine.
Goodbye Mr. Wentworth.
Shut
I don't like it
.....
Is it okay to work right after giving birth?
It seems painful.
But there's no help for it if you're a single mother.
Things don't always go the way you want them to.

Wentworth oil is the company that my father built My brother Jack was supposed to inherit it but
He suddenly passed away so they're pushing it on to me
They don't.
Yes.
Damn.
Even though I already had plans to start a ranch with my friend Elijah.
If I had the money to be free I would start the ranch immediately.
If Grandfather was working he could fight off aging too.

I can't use that money until I'm 30

Let's get married Beth.

Hello baby.
I don't understand what you mean!
Did you hear what I said?

You tell her too.
Just what I said. Let's get married.
This is a great idea.

Basically,
You and I form a marriage of convenience.
I really don't see
how it's a good idea.
If I get married then I can get my hands on my trust fund.
and I can start a ranch with my friend like I wanted to
And you and Miisha will get care and protection.

Because I wanted to make this place his home town.

You really like this town, don't you?
I hadn't decided where I was going to go
I kept running and at the entrance to this town my car got a flat tire.
I didn't have the money to repair it.
So you stayed in this town?

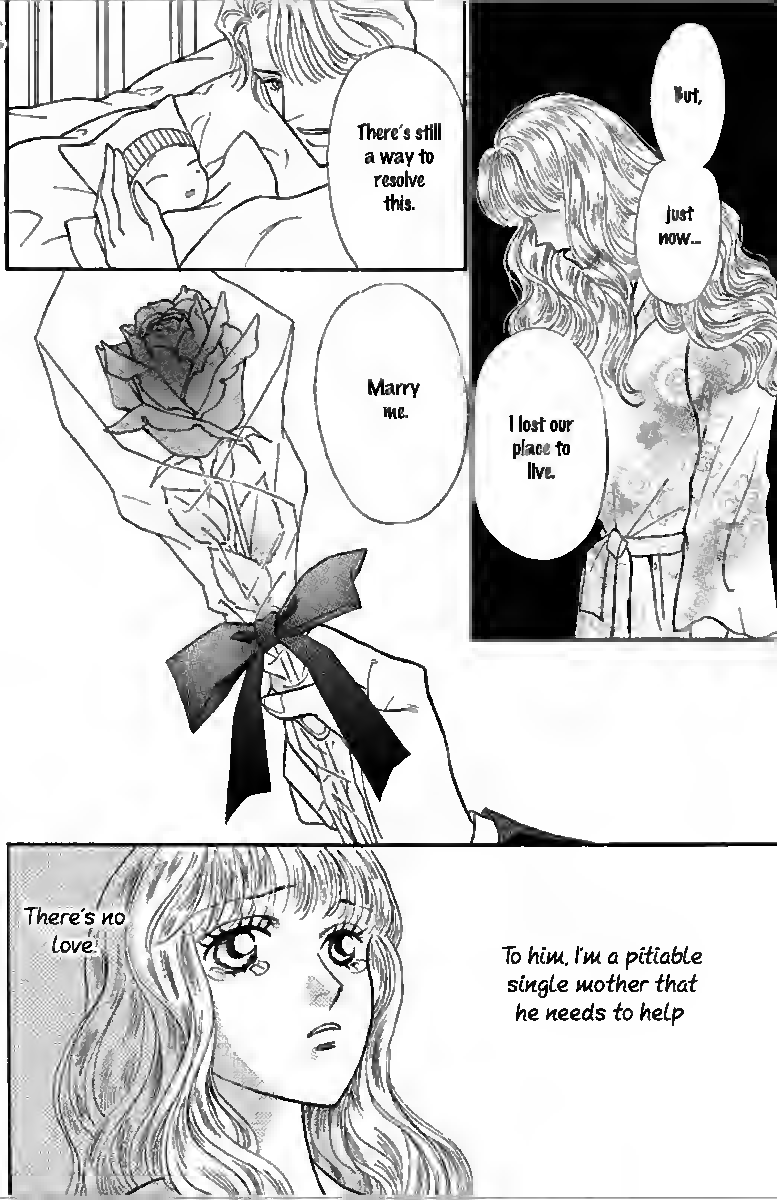
Miisha was the New Year baby.
So Fremont Springs is his home town.



There's still a way to resolve this.

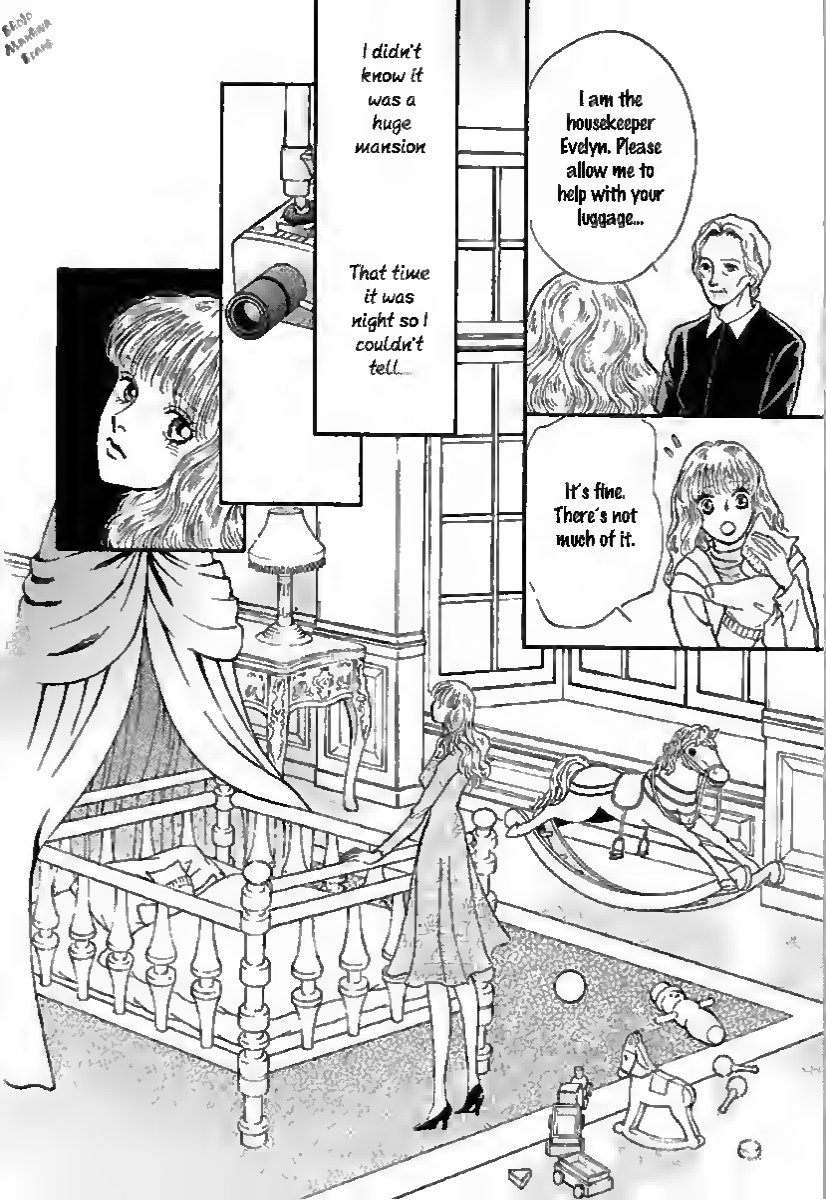
Really?
You really think so?
I think
It will go well between us.
2 days later Michael and I had a simple wedding ceremony at the city hall.

From today this is your house.
Miisha was born here too, after all.
These are the servants.



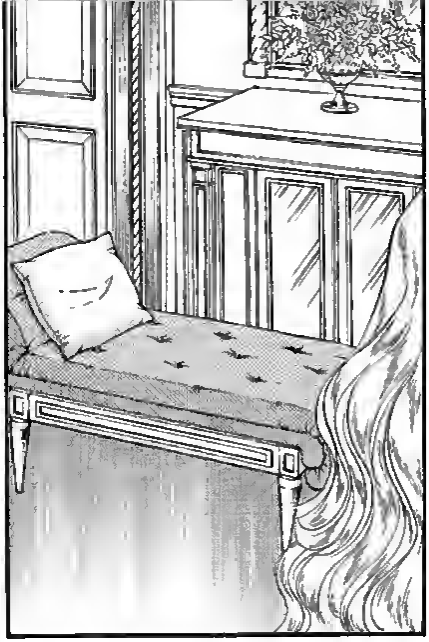
I didn't know it was a huge mansion
That time it was night so I couldn't tell...
I am the housekeeper Evelyn. Please allow me to help with your luggage...
It's fine. There's not much of it.

Bride Mansion Books

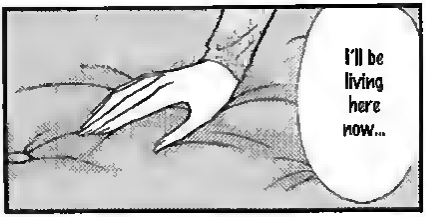
Just a few hours ago I was Beth Masterson.

Now I'm Beth Wentworth

But this isn't the real thing



so our bed's are separate too.



You refused Evelyn's help, didn't you?
Yes.
I don't have a lot of luggage so...
What's this?
I have a subscription.
I see.
I think
that I don't really know much about you.

I've got to tell him that our beds will be separate.
I went to Koss State University.
I was studying to be an accountant.
Umm.
It's about the beds, but...
I'm going to sleep here with Mlisha.
I'm relieved. but a little disappointed
Sigh
See you.
That's fine.
I don't mind.

It's weird for me to get depressed just because we're sleeping separately.
Don't you think so, Misha?

Why did you come out of the blue?
I'm Michael's older sister Josie. Nice to meet you!

I came here to confirm something.
ahem
To see if your marriage is real.

I have 3 questions.
for her.
Ask me anything.
I'm Beth.
How many months old is your child?
1 month. He is not Michael's child.
Who is the father?
I'M THE FATHER!
He's not my child but
I'm the father!
It's pointless to ask anymore questions!

Do you love Michael?
This is the last question.
I get it.
No need to stand all the sudden.

yes.
Oh yes.
I brough the perfect for newly-weds to celebrate with.
so I will leave now.
I don't want to gst in the way of your newly-wed life.

What do you think, Josie?
Bye, Beth!
Let's go home Josie.
If I find out that this marriage is a lie, I'll...
That's silly, Grandfather.
She may just be after his money.
Beth is a very cute woman.
I wonder what your grandfather thought?
Go ahead and
try and fool me if you can!

Just don't let your guard down.
Let's go see this wedding present from Grandfather.
He was at the top of Wentworth oil for years for a reason, after all.
I don't think he's onto us but...
we'll need to be careful or it's all over.

Why?
I don't want to talk about it.
I'm going to sleep.
